WELCOME TO THE 2021 SCOTTDALE FALL FESTIVAL

Welcome to the 2021 Scottdale Fall Festival. The Scottdale Fall Festival has been around for 47 years. Although the festival has had many names over the last 47 years, the principles have never changed. This will be the 46th Festival due to a pandemic in 2020. The festival has always been a community event in Scottdale. The idea started with Scottdale's 100th-anniversary celebration. A group of local citizens created the celebration for the 100 year anniversary of the town. This group of people then decided to have an annual event called the Scottdale Coke Heritage Festival. The year was 1974 when the first event was held. The festival would change names several times over the decades until its present-day name, Scottdale Fall Festival, which has remained for the past 24 years. This is one of many events that the citizens of Scottdale can enjoy throughout the year. This festival was created by the community of Scottdale, for the community of Scottdale.

Over the last 47 years, the festival has attracted people of all ages and helps promote local businesses in our community. This three-day celebration has many events such as a car show, live entertainment, a race, ethnic foods, children's area, and much more. A list of events, food, and entertainment can be found on pages 4-11 and the festival menu can be found on page 9. The Scottdale Fall Festival committee thanks you for attending and making this event bigger and better each year!

The 2021 Scottdale Fall Festival Theme will be "Renewing Memories and Building Traditions"

Liz Calfo and The Angel Eyes

Returning to the Scottdale Fall Festival Gazebo Stage is Liz Calfo and her new Band "Angel Eyes." Take a soulful walk down Memory lane with Liz Calfo and her dynamic Band "Angel Eyes"!

The Bricks

'The Bricks' is actually the fourth iteration of '3 Bricks Shy'. Individually we have both been performing since the late 70's as solo artists in various duo, trio, and band configurations. It wasn't until 1999 that 3 Bricks Shy was launched, and it wasn't until Sam joined the band in 2000 things started to take off. 3 Bricks Shy, which included Tim, Sam, and bassist Randy Miller, gained popularity as a result of the song selection, solid instrumental work, and really sweet three part harmony vocals. We had the pleasure and privilege of opening for local recording artists The Poverty Neck Hillbillies, and National acts such as The Marshall Tucker Band

and Dave Mason. We also shared the stage with Pure Prairie League and Hootie and the Blow Fish. We performed all around the Laurel Highlands/Westmoreland County area until December 2007. In early 2008, Sam and Tim decided to try it as audio, and so far, so good. "We are having a hell of a good time carrying on the tradition of classic acoustic music and promoting the consumption of alcohol. Team Drink!!!"

Six Gun Sally

The ULTIMATE 70's Southern and Classic Rock Tribute Band.

Paying homage to the best southern and classic rock bands of the 70's, this power house band of 7 accomplished musicians will rock you through the hits of bands such as Lynyrd Skynyrd, the Allman Brothers, Molly Hatchet, Janis Joplin, Led Zeppelin, Fleetwood Mac, and many others. If you are a fan of 70's southern and classic rock, Six Gun Sally is the band you Must SEE!

Steven Hawk

Steve Hawk is taking his experience as the front man, singer/song-writer of Pittsburgh's band, Forgotten Nobody (2005-2008), to his own level. With the success of Forgotten Nobody on local Pittsburgh Radio and myspace.com, when FN went on hiatus after 2008, Hawk picked up the pieces of a life without singing and playing original Rock & Roll. He's now doing so in a solo Do or Die fashion! Keeping personally sacred songs and experiences in his back pocket for many years, Hawk is now emptying the lint, breaking out solo, acoustic, raw, and real. Stricken with the blues, laced with punk, and feeling the hangover of old rock & roll, Steve has been out in the Southwestern Pennsylvania and eastern Ohio music scenes for 3 years, enjoying the solo acoustic rock & roll lifestyle.

Steve Hawk is now enjoying new fans, relishing old-icing the bruises of the past, dusting off his leather jacket and getting ready to bring the swagger and energy of what one man with one guitar can bring. Just like the old days."

Dancing Queen

January 9th 1999, in the Pittsburgh area, a new act called “DANCING QUEEN” hit the club scene. Covering the best of 70’s & 80’s disco, funk and dance music, “DANCING QUEEN” had the look, attitude and excitement as if to throw you straight back to a 70’s or early 80’s live disco party! Since then, “DANCING QUEEN” has done over 1000 shows in more than 50 night clubs, private party venues, and outdoor events around the tri-state area. “DANCING QUEEN” keeps it’s audience jammed on the dance floor from start to finish “stringing” one song straight into the next while the music’s pumping with up to 4 part harmony sailing above it all!

Jerry B and the Bonetones

Rockin’ Blues, R&B, and Soul. The members of Jerry B and the Bone Tones come from diverse musical backgrounds. All of these “young” gentlemen have 30 to 40 years experience under their belts! They just keep gettin’ better. Jerry Bejger-vocals, Denny Friedline-bass & vocals, Emil Herby-guitar & vocals, Ernie McCurdy-guitar & vocals, Roger Casperson-sax, and Ken Skovenski-drums.

The Fabulous Gemtones

GWEN DAVIS, a native of Pittsburgh, joined Leon Daniels and the El Venos in 1998 and the group recorded two music videos for WPGH TV Channel 13. They appeared with the Skyliners, Little Richard, the Dubs, the Vogues and many others. The group also provided backup vocals for Eddie Holman when he appeared in Pittsburgh. Gwen joined the variety band Protégé in 2003 and, with this group, she has shared the stage with the Temptations, the Supremes, and Jackie Evancho.

MIKE LATHOM first discovered his vocal talent during his teenage years when he won his high school talent show. Since then he has sung with several groups including Soul’d Out, Common Thread, Weets All Stars, and William Dell and the Wee Jams. Mikey also performs with “Pure Gold” and at private parties and various local venues.

JOSEPHINE CROOKS is no stranger to the Pittsburgh music scene. She has appeared with the Pittsburgh Musical Theater in Miss Saigon, with John Holt Productions in Best of Broadway, Lady Legends, Divas and Divas Together Again. You may have seen Josie fronting local bands Dancing Queen, Spectrum, Protégé. Persephone’s Dream, and The Holidays. She has recorded several songs in Nashville and was recorded on the 3WS Home for the Holidays Volume II album. Josie was a finalist in the Pittsburgh Symphony Pops Search for a Star talent contest.

SHEENA B Sheena has sung in bands of many genres in Pittsburgh and around the country including jazz, big band, rock, variety, show tunes, and club dance. The latter included an international tour with Atlantic Records recording group, Company B, who had three hit songs on the Billboard Dance charts, guest appearances on Showtime at the Apollo, MTV, and beat out Michael Jackson at the Boston Dance Music Awards for favorite group.

Pierce Dipner and the Shades Of Blue

Pierce Dipner is a young Blues Musician and multi-instrumentalist from Pittsburgh, PA. At the young age of 8 he started to play the guitar and sing. By age nine he was also playing bass, drums, and cello. At 11 he discovered the Blues at a Youth Blues jam hosted by the Blues Society of Western PA and he has been hooked ever since. At the age of 13 he was selected by the BSWPA to perform in the 2017 International Blues Challenge in Memphis, Tennessee where he got to showcase his talents at Mr. Handy's Blues Hall on Beale Street.

In the summer of 2018, Pierce formed his first band, Pierce Dipner and the Shades Of Blue. The band offers an eclectic and personalized mix of originals and covers of Blues, Rock, and Soul favorites. Pierce as a solo artist has opened for Nick Moss. Likewise, Pierce and his band have opened for Brandon 'Taz' Niederauer and Albert Cummings. Case in point: Pierce's debut EP, "Get Out Of Your Life" comprises 4 tracks (3 originals and a classic cover) featuring Pierce with his band. The EP is gaining international airplay, receiving great reviews, and is featured on many Blues charts.

Elmoz Fire Band

Elmoz Fire dance band based in Pittsburgh, Pa entertains audiences with the very best in Funk, R&B, Soul, and Dance music. The band is fronted by two dynamic vocalists and backed by very talented instrumentalists. A true R&B show band that covers a broad spectrum of styles. Elmoz Fire features the vocal talents of Ray De Lisio and Ron Griglia. Each of the vocalists brings unique, complimentary abilities

to the stage that add endless variety to the band's overall sound. The band's backbone is the powerful rhythm section combination of Sammy Argiro on drums with keyboardist Gary Honnifer adding the dynamic bass lines. As the grooves are laid down, the sound is taken to the highest level by the amazing virtuosity of keyboardist Gary Honnifer and the rock-solid chops of guitarist Dennis Trivilino Combined they melt together into a "Perfect Blend" known as the Elmoz Fire Band. Adding to the dynamic musical experience is an unsurpassed light show which will leave your guests spellbound and reliving their experience for years to come !!!!!

Jumpin' Jack Flash

The Geyer Performing Arts Center is excited to unveil their new and improved Education Center this fall. Our board has worked hard during the past year and a half to renovate the space for use of our new and improved education program. The Education Center will be used primarily for educational programs to serve our community. Offering programs for all ages this fall in the following categories, Elementary, Middle School, High School, and Adult classes. Classes will be offered in dance, acting, art, and music to accomplish

an all-encompassing learning experience of the arts. We will also be offering an after-school program starting the September 20th running Mondays and Wednesdays directly after school. This summer we were able to open our doors for a sneak peek into the program with our summer camp "Remember Who You Are." This camp took a deeper look at the Lion King. Campers were able to examine the original story of the Lion King, music from the Lion King, Art with our Artist in Residence, Musical Instruments from Africa and history of tribal life in Africa. We excited to offer more programs that will serve our community and we can not wait to see everyone!

This BIGFOOT chassis is the newest member of the Team BIGFOOT fleet. It was completed on December 24, 2014 and did its first live event in Southaven, MS (Memphis, TN) on January 9th and 10th, 2015, winning a race and freestyle that very first weekend out with legendary driver Dan Runte behind the wheel and even winning the Toughest Monster Truck Tour Championship that first year (and again the next year). It employs many of the features that made the earlier BIGFOOT #18 successful, with some tweaks and improvements. It has a low center of gravity chassis, long-travel shocks, and an even longer wheelbase than the earlier BIGFOOT trucks. This BIGFOOT also utilizes “zoomie” headers, giving it a very loud and unique sound as compared to other BIGFOOT trucks. Veteran driver Larry Swim won the 4-Wheel Jamboree Series in 2016 and the Toughest Monster Truck Tour in 2018 in this truck. They are currently touring the U.S

Scottdale Public Library

One hundred and eleven years ago, November 7, 1910, The Scottdale Public Library became a living institution in our community. It came into being on March 23, 1910 when A.L. Keister, formally presented the community with the gift of a library. The original gift, was soon supplemented by funds provided by the Scottdale School Board and became a key to the provision of a wealth of information and services to the communities it served.

The library's first home was in the Scottdale High School, providing access to both students and adults. Miss Daisy Mary Smith was the first Librarian.

In 1921 Scottdale Borough realizing "the great worth of the library", voted to help support the library and found a temporary home at the Funaro Building until the library moved into the second floor of the Hurst – Cook building on November 1, 1922. The library's next home was across Pittsburgh Street where it remained until August of 2008 when the library built its permanent residence at 106 Spring Street. The present library has become a true hub of the community while reaching out to serve Everson Borough, East Huntingdon Township and Upper Tyrone Township. While boards and staff have changed through the years the goals and objectives of the library remain constant; providing services and programming for the communities it serves with equal access to all. The public library is a great equalizer. The collection is both popular and diverse. There is literally something for everyone at the library.

2020 was a trying year for the world and for our library. While ordered to shut down, we were able to provide over 100 virtual programs, reference and curbside services. Our free extended WIFI was enjoyed by many from their cars as children participated in virtual schooling.

In August of 2020, we were devastated by the unexpected passing of our beloved children's librarian, Rhonda Allison. Rhonda will always be remembered for presenting virtual story time from the kitchen of her personal residence. By interacting with children and giving them a taste of the familiar during the pandemic, she gave the communities children a memory they will likely never forget.

Traditions are important to small towns and we hope a visit to the library will always be a tradition for the wonderful residents of our area. In keeping with the theme of traditions, please stop by the library and view the 20 years of summer reading tee shirt quilt in the Beth Ann Johnson Children's Room. The quilt was created by Ruthann Bigley, in memory of her sister Rhonda Allison and represents 20 years of special programs presented by the library.

Scottdale Historical Society

For over a century, downtown has hosted many Scottdale traditions. From Scottdale's 25th anniversary to the Scottdale Fall Festival today, hundreds of parades have passed up and down Pittsburgh Street and Broadway, and although the look of downtown has changed, the sense of community and pride these events bring remain the same.

Scottdale has always valued its traditions, celebrations, and the memories behind them. In 1899, the town celebrated its first major anniversary, 25 years. Or, a quadranscentennial, for those who like six-syllable words. In those days, our town looked much different. Two sides of Pittsburgh Street and Broadway were lined with grocery and hardware stores, barber shops, banks, churches, homes, hotels, bars, and more. Parades marched past new eclectic streetlights, along brick-cladded streets and the one-mile paved portion of Broadway. The Pittsburgh Press reported, "Here the busy hum and whirling wheels of industry are heard on every hand." Nearly 15,000 citizens gathered to celebrate the town's first major anniversary and regional firemen's convention held at Ellsworth Park that year.

Fast forward 75 years, and Scottdale was celebrating its Semi-sequicentennial. Along the way, many new traditions were born. The Fireman's Fair was held every year behind Scottdale High School and later moved downtown. Holidays brought parades and events through town. Citizens honored military past and present at new memorials and old cemeteries. People continued to gather downtown throughout the year, creating and strengthening community traditions. As Scottdale approached its 100th anniversary, or centennial, a new festival took shape in celebration of the milestone. The festival commemorated the town's heritage and tradition of getting together downtown.

Today known as the Scottdale Fall Festival, this autumn celebration still draws many people from the region to downtown Scottdale for a weekend in September. Although the area looks much different, the gazebo park and downtown streets still host the community for the weekend. Scottdale summers still begin with the Firemen's Fair downtown. The holiday season starts with the Winter Light Celebration each

Scottdale, PA Sanborn Map, 1903

December.

Although we were unable to hold many of our favorite community celebrations in 2020, we are excited to see these gatherings happening again in downtown and look forward to many more celebrations in the future including Scottdale's 150th anniversary in 2024!

Scotland the Brave

Nestled in the valley created by nature, Russ Grimm Field at Southmoreland stadium glistens with cold dew as members of the PIMBA award-winning Southmoreland High School band take center field and belts out the first unmistakable, 18 notes of Scotland the Brave. The sound blankets the mezzanine of stands, and just as the song comes to (what appears to be) the end, the band moves forward with their next song. The colorguard, adorned in red and black Tartan kilts, drops their Scottie-adorned flags, and demonstrated the dance that, for decades, has come to symbolize the beginning of our school year: the Scottie Fling.

As the school year passes and we encroach upon the conclusion, once again, we share in this celebration of tradition during our commencement ceremony. In this rendition, a more traditional version of Scotland the Brave is tendered as a bagpiper leads a procession of graduates to the stage.

This song has become our greatest tradition. It has come to symbolize the beginning and end of every academic year for nearly 6 decades. The Covid 19 pandemic posed challenges to these great celebrations. An abridged commencement ceremony at the conclusion of the 2020 school year brought silence to the once great processional. In September 2020, capacity limits and CDC regulations sharply paired down the crowds at our Friday night football games. As we embark upon the 2021-2022 school year, we look forward to the soundtrack of our year with the spirited tones of Scotland the Brave.
