WELCOME TO THE 2024 SCOTTDALE FALL FESTIVAL

The Scottdale Fall Festival has existed for 50 years. Although the festival has had many names over the last 50 years, the principles have never changed. This will be the 49th Festival due to the pandemic in 2020. The idea started with Scottdale's 100th-anniversary celebration. A group of local citizens created the celebration for the 100-year anniversary of the town. This group of people then decided to have an annual event called the Scottdale Coke Heritage Festival; 1974 was the first event. The festival would change names several times over the decades until its present-day name, Scottdale Fall Festival, which has remained for the past 26 years. This festival was created by the community of Scottdale, for the community of Scottdale.

Over the last 50 years, the festival has attracted people of all ages and helps promote local businesses in our community. This three-day celebration has many events such as a car show, live entertainment, a race, ethnic foods, children's area, and much more. The Scottdale Fall Festival committee thanks you for attending and making this event bigger and better each year!

Sky Pilot

Sky Pilot is seven talented musicians from across the Western Pennsylvania region who represent a wide range of musical talents, influences and experiences. When these diversities come together, the result is an outstanding collaboration which transports listeners directly into the heart of the most iconic music of our times.

Once you open your eyes again, look around the crowd at a Sky Pilot show. You'll see people of all ages, from all backgrounds and all walks of life, coming together to enjoy the music that has united us throughout the decades. This show is an experience, a time when we set aside the stresses of life and put ourselves in the hands of these outstanding musicians who want nothing more than to share the music that has meant so much to them over the years and continues to move people to this day.

Sky Pilot is a band whose members love what they do, which is why they've been doing it for decades. They are at their happiest when the crowd is dancing and singing along. We are known for our popular, classic rock from the 60's, 70's and 80's.

Jimmy Ross and The Jaggerz

When you mention The Jaggerz to a Pittsburgher, chances are that person will burst into a chorus of 'THE RAPPER'. From the 'Club Natural' in Beaver Falls PA to Dick Clark's 'AMERICAN BANDSTAND' in Hollywood CA was a long way off, but Benny Faiella, Donnie Iris, Jimmie Ross, Bill Maybray, Tom Davies and Jim Pugliano Collectively known as The Jaggerz, made it.

In 1968, Gamble Records of Philadelphia signed the band to it's first recording contract. Their first album 'INTRODUCING THE JAGGERZ' spawned their first two regional hits 'Baby I Love You' and 'Gotta Find My Way Back Home'.

Other artists with Gamble Records at the time were Jerry Butler, Dusty Springfield, The Intruders, Soul Survivor's, The Jays and Harold Melvin and the Blue Notes with Teddy Pendergrass.

In 1970, the band signed with Buddah/Kama Sutra Records in New York, where they recorded their second album 'WE WENT TO DIFFERENT SCHOOLS TOGETHER'. After nine weeks on the charts, their song 'THE RAPPER' edged out Brook Benton's "Rainy Night in Georgia" and Simon & Garfunkel's "Bridge Over Troubled Water". In March of that year, the band received their gold record for having the #1 SONG IN THE COUNTRY.

Original members, Jimmie Ross & Benny Faiella along with Hermi Granati (keyboards), Chris Patarini (sax), Paul Martello (drums) and Dennis McAbee (guitar) carry on the bands signature sound of great harmonies.

Pure Gold

Re-live the Golden Era with PURE GOLD, bringing decades of musical magic from soulful blues to contemporary hits. Reintroduced under new management, they continue to captivate with their timeless sound in a performance that promises both nostalgia and freshness.

With a music career spanning four decades, PURE GOLD performs material from the '50s to present including a blend of blues, standards and original material to highlight their unique talent and range. Starting in 1978 as Acapella Gold, they quickly gained popularity. After a few successful years they decided to add a band and name the group PURE GOLD. After 43 years of performing, PURE GOLD decided to retire, and their fans were sad to see this legendary group perform its final show in December 2021. With permission from the group's lifelong manager, Henry DeLuca, an agreement was made to continue under new management with a revitalized rendition of the band that has kept Pittsburgh rocking since 1978!

Pure Gold will be returning to the Scottdale Fall Festival after 14years!

The Wrangler Band

The Wrangler Band is a country-rock and classic rock band, hailing from western Pennsylvania. The band plays a variety of music, ranging from today's top-of-the-charts modern country hits to yesterday's classic 80's rock. Bring your family out for an evening of music and fun and don't forget to stop by after the show and say hello. We'd love to meet you!

The beginning of the Wrangler Band goes back to the year 1977. It was only a couple years before when Ron, age of 5, and Randy, age of 7, were being taught chords on the guitar by their father, Roy. In 1977 Ron and Randy were ready to show the world their abilities by the time they reached ages 7 and 9. Two other band members were added at that time, both around the ages of 8, to make the band complete. They named the band "R.G. and Country," stemming from their initials. The name was later changed to "The Country Wranglers" and then finally to "The Wrangler Band."

The memories that they have created in the past 28 years will be cherished in the hearts of all their fans and band members. They invite you to share in these memories and to help create new ones for the future.

Broom the Band

Broom is a 5-piece rock band from Belle Vernon, PA. All of the members of the band come from a strong classic rock influence, and that is obvious when you put on one of their songs. With a common thread but different passions, you can hear all of their touches with every song they play. Enjoy catchy hooks with rockin' riffs as the band sweeps you away with their high energy music!

Broom was founded in 2020 with no huge aspirations. They were just a group of friends who wanted to jam together and maybe play some shows. However, once the core lineup of Race Michener (vocals), Bodie DuBreucq, Ben Filak (both guitar), Caleb Beichner (bass) and Carter Stasicha (drums) was set in stone, the band realized they had something special in their hands. With influences ranging from 60s classic rock to modern progressive metal, the band's tone has grown into an incredibly unique yet accessible arena rock sound.

House of Soul

The Funky and Soulful House of Soul Band continues to share the love of R&B, Funk and Soul Music. The House of Soul Band started in the early 90's with the idea of playing the funky sounds of R&B, Funk and Soul music of the 70's, 80's, 90's. We have been successfully doing this for over 20 years and continue to spread the legacy of this music. H.O.S. Band are specialist in BABY BOOMER MUSIC of the 70's. The Funky and Soulful House of Soul Band continues to share the love of R&B, Funk and Soul Music with all that follow and love to dance.

Scottdale Fall Festival Queen

We are excited to present the Scottdale Fall Festival Queen Pageant for this year's commemorative 50th Anniversary. The pageant had been a staple and annual event at the festival for many years of its history, and after a long hiatus, we will crown new 2024 Queens across 3 age divisions; "Mini, Junior, and Teen." The contestants, all of whom reside in the Southmoreland School District, have been preparing for the pageant, which will take place on Friday, September 20 at 5:15PM. The platform for the pageant is "Leadership, Charity, and Community." Participants were required to identify an organization that they relate to and want to help, and perform 20 hours of volunteer service, as well as choose a charity that they would like to help promote and/or raise contributions. They will be asked to respond to an interview question centering around their volunteer work and community/charitable contributions. 150th Anniversary: Behind the Scenes

On February 24, 2022, more than a dozen people gathered at the historic Loucks House to discuss Scottdale's 150th anniversary for the first time. "Sesquicentennial" was a new word to us, and we brainstormed ways to celebrate this milestone. We formed a committee, came up with a mission and vision, and reflected on previous town anniversaries. We agreed that although the actual anniversary would be Feb. 5, 2024, it would be best to celebrate for a whole year: Fall Festival 2023 to Fall Festival 2024. One Mardi Gras fundraiser, dozens of programs and events, and a cookbook later, the committee happily agrees that we have accomplished just about everything we set out to accomplish in those early meetings. This year's Fall Festival wraps up over two and a half years of hard work from dozens of volunteers.

There is no way I could give proper credit to the dozens of volunteers, sponsors, planners, and other individuals responsible for the yearlong-plus celebration of our sesquicentennial. Between the dozens of events the committee planned or took part in, the 150th Anniversary merchandise and cookbook, and displays in the former Scottdale Savings & Trust building (thank you again, Kiefer family!), it would be impossible to name everyone who worked to make it all happen. I could also never properly acknowledge the many community businesses, organizations, and nonprofits who made the celebration possible. Whether as a sponsor, host for an event, or other type of partner, the sesquicentennial could not have been possible without them. We thank you all.

There is one individual, however, who was the linchpin of the entire celebration: Tom Zwierzelewski. As Chair of the 150th Anniversary Committee, Tom must have worked more than before he retired from his real job. As the ringleader of what had to occasionally feel like a circus, Tom kept the sesquicentennial train on its tracks. On behalf of the 150th Anniversary Committee and Scottdale Historical Society, thank you for all you have done, Tom.

We hope the momentum we have built since that first meeting in 2022 will continue into the years to come. Even with the celebration drawing to a close, we hope that the new and bigger events, fresh volunteers, and strong partnerships will continue to blossom in the future.

The dozens of individuals behind the 150th, and our community that celebrated, have set a high bar for the 175th anniversary, also known as the terquasquicentennial. Start practicing that word now.

This BIGFOOT chassis is the newest member of the Team BIGFOOT fleet. It was completed on December 24, 2014, and did its first live event in Southaven, MS (Memphis, TN) on January 9 and 10, 2015, winning a race and freestyle that very first weekend with legendary driver Dan Runte behind the wheel and even winning the Toughest Monster Truck Tour Championship that first year, and again the next year. It employs many of the features that made the earlier BIGFOOT #18 successful, with some tweaks and improvements. It has a low center of gravity chassis, long-travel shocks, and an even longer wheelbase than the earlier BIGFOOT trucks. This BIGFOOT also utilizes “zoom-ie” headers, giving it a very loud and unique sound as compared to other BIGFOOT trucks. Veteran driver Larry Swim won the 4-Wheel Jamboree Series in 2016 and the Toughest Monster Truck Tour in 2018 in this truck. They are currently touring the U.S.

Scottdale Picnic In The Park

Prior to Scottdale's 125th Birthday Celebration, Don Graft and Sue Killinger gathered together a group of people to brainstorm an idea - the creation of an Anniversary Booklet as a tribute to our hometown, honoring our heritage. Many hours of work and preparation followed. However, the Committee considered it an honor to serve the community in this manner for the present and also for the future generations. The original Book Committee was Sue Killinger, Karen Nicholson, Kathy Zaffina, Don Graft, Bob Miller and Tinky Nist. This group soon included Allan Nicholson, Pete Zaffina, Tim Carson, Tom Killinger and Bud Santimyer who joined as Sue Killinger proposed sponsoring an old-fashioned Community Picnic at Loucks Park. Picnic In The Park became a reality.

This year marks our 25th anniversary with some changes in the Committee, but the concept has remained the same. From 2:00 pm and continuing until evening, we offer homemade food, plenty of activities for all ages, music and above all, spectacular fireworks. We hope those who follow in the future will continue to keep this tradition on the 3rd Sunday in August for many years to come.
